

Headteacher: Ms Kirsty J Ratcliffe

ADMISSION AND REFERRAL POLICY 2022-23

Introductory statement

Park Aspire will only admit pupils in line with these admissions and referral arrangements. Park Aspire puts the students at the heart of decision making and creates a safe school environment which supports them to, 'Be The Best They Can Be', working in collaboration with parents, schools and multi-agency partners. It provides education for students that have been excluded from, or are at risk of exclusion from, mainstream education.

Park Aspire is a short stay school. Our aim is to re-engage students in education and provide inclusion support to schools. We do this by working with the team around the student, implementing support based on an understanding of the student's difficulties and barriers to learning in order to develop improved student social and emotional responses, an understanding of their special educational needs and providing individual student inclusion advice to their schools. After receiving support over a period of time, we will ensure that individuals move on to their next destination, or back to their on-roll schools having felt known, valued and understood.

Admission will be through the referral process outlined in this document. Referrals may be made at any time throughout the year.

Park Aspire has a core purpose to deliver education programmes (on behalf of the Local Authority (LA)) to challenging or vulnerable children and young people who are not in school for a variety of reasons:

- Young people who have been permanently excluded from school.
- Young people who need to be allocated a placement due to exceptional circumstances such as, being out of education with strong evidence to indicate that a return to mainstream education is not possible at that point in time.

Number of places available

PARK ASPIRE will provide education for up to 90 pupils utilising the Avenue Road (EYFS, KS1 and KS2) and Anerley Street (KS3) sites.

Any young person that has been permanently excluded will be allocated provision on or before the 6th day of exclusion.

Registration arrangements

Where students are referred, following exclusion, they will be dual registered between Park Aspire and the excluding school until their registration at the school is terminated where applicable following the conclusion of the exclusion process as set out in the DfE Exclusion Guidance 2022. If a student, whilst registered at Park Aspire is allocated a new school through the Fair Access Panel (FAP), they will be dual registered between Park Aspire and the new school. The duration of the

Tel. 01274 735298

dual registration period will be guided by the re-admission of excluded pupils (RAP) agreement. If there is any dispute between Park Aspire and the dual registered school, regarding the removal from rolls etc., the LA will decide on the dispute and registration status. If students are not on the roll of another school or are new to the authority, they will be single registered at Park Aspire.

Referral arrangements

Referrals for a place at Park Aspire are made by the LA. Appropriate referral paperwork will be required with every referral.

Who can refer:

Local Authority: Referrals for permanently excluded and exceptional case young people.

How to refer:

1. **Permanent Exclusion:** The LA will contact PARK ASPIRE to request a place. Completed EX1 and EX3 forms will be forwarded to Park Aspire as part of the application. There is an expectation that the Headteacher or representative of the excluding school/academy will make contact immediately with the LA to inform of their decision to permanently exclude. The EX1 and EX3 must be with Park Aspire by the date of the Permanent Exclusion in order for Park Aspire to be able to effectively make 6th day provision.
2. **Exceptional Cases.** Where young people, who are not attending mainstream school and for whom a mainstream place is not appropriate, the LA can refer for an intervention placement using the PARK ASPIRE Referral Form to detail historic school information etc.
3. **Step Out Placements:** If Park Aspire has capacity, schools can request to commission a temporary, short term step-out place for Key Stage 1, 2 or 3 pupils, to support a school and student where in-school interventions and/or outreach have been unsuccessful, based on an understanding of the support a pupil needs in order to improve their behaviour as well as any SEND or health needs. To secure a temporary step out place a school must make a referral and complete the service level agreement. The nature of the intervention, its objectives and the timeline to achieve these will be clearly defined with the provider up front, be frequently monitored and reviewed with the team involved in supporting the pupil. A clear exit strategy will be agreed between the school and Park Aspire prior to the start of the placement. Other services and agencies (e.g. Education Support Services, Educational Psychology, Youth Justice Service, Social Care etc.) and parents and carers may be asked to supply additional information to support the referral process. Step Out places are offered only when agreement has been reached with the mainstream school and parents or carers.

Permanent Exclusion Places:

Pupils who have been permanently excluded from school will access a place at Park Aspire. The referral will come from the LA and Park Aspire will make every effort to admit the young person on or before the 6th day of exclusion. All students that have been referred to Park Aspire due to permanent exclusion will go onto the roll of Park Aspire on the 6th day following their exclusion. On entry to a new mainstream school from Park Aspire, the student will be dual registered with Park Aspire and the school. This will follow the guidelines set out in the RAP agreement. The placement of the student will be managed by the LA who will inform Park Aspire of any changes to the registration status of the student. This will include moving to single registration with

Tel. 01274 735298

the school, due to the successful completion of the RAP period, or the return to single registration with Park Aspire due to breakdown and subsequent failure of the RAP placement. Park Aspire will work with the LA to provide evidence and advice to support the appropriate allocation of a new school through the FAP process or a specialist provision with an EHCP. Reports will be written and shared with the LA to support this. For pupils ready to return to mainstream, it is expected that a decision on a new school will be made within the admissions process and that on allocation of a school place, the young person will leave Park Aspire, to commence a phased integration to their new school, within 2 weeks of the allocation. When further assessment is required, or an EHCP application is required, Park Aspire will commence this process. In these cases, the LA will be required to work with Park Aspire to support an appropriate exit strategy in a timely manner.

Exceptional Cases and Prevention Placements:

In some situations, pupils can access places at Park Aspire through agreement with Park Aspire and the LA

- A pupil who is without a school place (detached) and has previously been attending an alternative provision out of authority and is not deemed school ready by professionals via a multi-agency meeting.
- A pupil who has been registered as Child Missing Education and for whom, when located, an alternative setting is considered appropriate provision by professionals
- A pupil who has been registered as Child Missing Education and for whom when located is deemed by professionals to require an interim placement pending a long term setting being identified

These places will be for a short-term. In some cases, it will be agreed before the placement, that a medium-term place will be required. The educational reasoning for the medium term place would be agreed before the place is commissioned.

All exceptional cases will exit Park Aspire at the end of the agreed placement timescale. The LA will be responsible for providing provision on exit from Park Aspire. The pupil must have moved out of their school's area of coverage e.g. Catchment Area. Whilst strenuous efforts will be made to provide all relevant information on the student, lack of information should not delay the provision of education – it may be difficult to source detailed information for a student who falls into the categories as set out above.

Commissioning process

Point of contact

The point of contact for commissioners is;

- Kirsty Ratcliffe, Headteacher
- Tel: 01274 735298
- Email: kirsty.ratcliffe@parkaspire.co.uk

Local Authority commissioners

Bradford LA is responsible for arranging full-time education for permanently excluded pupils.

The LA commissions Park Aspire to enable it to fulfil this legal duty. Park Aspire will provide 90 places to Bradford LA.

Avenue Road, Bradford, BD5 8DB
Email: Office@parkaspire.co.uk

Tel. 01274 735298

Complaints

Any objections to the arrangements outlined or the application of them should be raised with Park Aspire. To view the Complaints Policy, please go to www.parkaspire.co.uk

If the complainant is not satisfied with the resolution, they are able to complain to the Education and Skills Funding Agency (ESFA) using their online enquiry form.

Equal Opportunities

Park Aspire is committed to equal opportunities and admits students across the full spectrum of academic abilities. All students have equal access to the curriculum and there is a learning support programme for students with special needs.

Review

These arrangements will be reviewed annually and any amended arrangements for the following September will be published on Park Aspire's website.

Links to other policies
