

Miss Mawson
Miss Akhtar
Mr Ali

Welcome Back!
Hope you've had a lovely break.
Have a look at what we have planned for the Summer 1

English

We use Literacy Shed for the teaching of English:
The book for this half term is 'Cogheart'
Children will learn to:

- Write character descriptions
- Write a diary entry focusing on emotive language
- Write a newspaper report

Maths

We use White Rose for the teaching of Maths:
Fractions

Understand a whole and count beyond 1
Understand and convert mixed numbers and improper fractions
Understand equivalent fractions
Add and subtract fractions

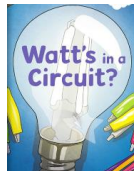

Decimals

Tenths as fractions and decimals
Tenths and Hundredths on a place value chart
Tenths on a number line
Divide a 1-digit and 2-digit number by 10
Hundredths as fractions and decimals
Divide a 1- or 2-digit number by 100

Science

This term we will be covering the topic 'Electricity', Children will learn:
* To classify and present data, identifying common appliances that run on electricity.
* To identify circuit components, build working circuits and investigate whether circuits are complete or incomplete.
* To investigate which materials are electrical conductors or insulators.
* To explain how a switch works in a circuit, build switches and report findings.

Physical Education

CM Coaching will lead both PE Lessons:
Lesson 1 will be learning the basics of Striking and Fielding Games – Cricket and Rounders.
Lesson 2 will be focussing on skills of Golf / ultimate Frisbee.
We will also continue with our weekly swimming lesson on Thursdays.
Please remember your kit.
One afternoon a week we will look at 'How I can be more active' through our PACs Award.

PACS Park Alternative Curriculum Scheme

Park Alternative Curriculum Scheme is a progressive learning programme, designed around and for the children at Park Aspire. It gives small steps for the children to work towards, within 5 different areas, to help keep their interest and help them to explore cross curricular links.

- Can I be resilient? 
- How can I be more active? 
- What is in our community? 
- Can we go on an adventure? 
- What can I cook? 

Extra-Curricular

There will be lots of opportunities for your child to take part in different extra-curricular activities this term.
There will be weekly cooking sessions
Sports and Games club at break and lunch times
Trips around the district
Visits from outside agencies

Personal Development

Children will be studying the unit, 'Safety First'
They will learn:
To consider what it means to take responsibility for your own safety.
To assess the risk associated with different situations and what to do if they feel in danger.
To learn about how to identify an emergency, what to do in this situation and how to get help when needed.
To look at hazards, dangers and risks, both inside the home and Outdoors.

Please see the PSHE policy on the school's website regarding topics covered
If you would like your children removing from lessons please contact school.

How you could support your child:

- Encourage your child to read at home and then ask questions about what they have read in order to show an understanding of the text.
- Encourage your child to practice times table multiplication and division facts
- Talk to your child about what they did at school today.
