

Mrs Phillips  
Mrs Roberts  
Miss Akhtar

Welcome Back!  
Hope you've had a lovely summer. Have a look at what we have planned for the Autumn Term

**English**

**This term we are looking at**  
'Stone Age Boy' to stimulate writing ideas and develop the construction of sentences.

Step back 15,000 years as a modern boy enters a Stone Age village and learns a few prehistoric tricks of the trade.

**Writing Outcomes:**

Word families, Prepositions  
Innovate the story using descriptive language, character

**Maths**

**We use White Rose for the teaching of Maths:**

**Place Value:**

Represent, ordering, comparing and partition numbers up to 10,000.

Finding 1, 10, 100 and 1000 more or less from a given number.

Rounding to nearest, 10, 100 or 1000  
Roman Numerals

**Adding and Subtracting:**

Add and subtract 1s, 10s, 100s and 1000s.  
Add and subtract two 4-digit numbers, with no exchange,

**Science**

This term we will be covering the topic of **'animals including humans'**

This term, we will be learning about how different foods provide essential nutrients and how these help our bodies stay healthy.

As part of their study of the human body, we will investigate different types of animal skeletons, name key bones in the human skeleton

**Physical Education**

CM Coaching will lead one PE Lesson:  
Lesson 1 will be learning the basics of the invasion game - Football.  
Lesson 2 will be focussing on fitness levels through circuit training.

We will also continue with our weekly swimming lesson

**PACS**

Park Alternative Curriculum Scheme is a progressive learning programme, designed around and for the children at Park Aspire AP Academy. It is a way of learning which enables children to progressively build upon the skills they may already have or develop new skills which will help them now and in later life.

- Areas of PACS**
- There are 8 areas of the PACS.
- I am practicing my cooking skills
  - I am investigating nature
  - I am working on my resilience
  - I am exploring my community
  - I am building on my Lego skills
  - I am developing my social skills
  - I am being more active
  - I am focusing on my feelings

**Personal Development/POL-ED**

**The PSHE unit,**

'Aiming High', looks at achievements, aspirations and opportunities. Children will discuss achievements and the type of attitude needed to succeed. They will look at challenges people face and barriers to success and consider jobs they would like to do and the skills needed to do those jobs.

In our **POL-ED lessons** we will be learning about **Relationships**.  
Children will learn: how they can be role models,

**Extra-Curricular**

There will be lots of opportunities for your child to take part in different extra-curricular activities this term.

- Cooking sessions
- Sports and Games club at break and lunch times
- Visits from outside agencies

How you could support your child:

- Encourage your child to read at home, then ask questions about what they have read in order to show an understanding of the text.
- Encourage your child to practice times table multiplication and division
