

Park Aspire AP Academy – Summer 2 Newsletter – 2025/2026

Dear Pupils, Parents/Carers and Staff,

I would like to warmly welcome everyone back to Park Aspire AP Academy as we begin the final half-term of the academic year. I hope you all had a restful and enjoyable break and were able to spend quality time with family and friends.

As we enter the final weeks of the academic year, we look forward to celebrating the achievements, progress and successes of our pupils whilst continuing to provide enriching opportunities and memorable experiences across the school.

Staffing Updates

We are delighted to congratulate Mrs Maroof, PC Dalton and Mr Bull on the birth of their babies. This is wonderful news for their families, and we are sure you will join us in wishing them all every happiness as they enjoy this special time.

We are also pleased to welcome Mrs Rimmington back to Park Aspire following a successful operation. We are delighted to see her return and wish her continued good health and recovery.

At the end of this month, we are excited to welcome Mrs Stone to Park Aspire AP Academy as she joins our teaching team as a class teacher. We look forward to her becoming part of our school community and know she will make a valuable contribution to supporting our pupils.

Celebrating Success – Behaviour Reward Trips

Congratulations to all pupils who attended our recent Behaviour Reward Trips to Snow Tubing. These rewards recognise pupils who have consistently demonstrated exemplary behaviour, positive attitudes and commitment throughout the half-term. We are incredibly proud of how our pupils represented Park Aspire and hope they enjoyed this well-deserved opportunity.

Activities to Look Forward To

We are excited about a range of opportunities and enrichment activities this half-term:

- Continued partnership with Doe Park, where pupils will experience High Ropes and Canoeing activities.
- PSHE workshops delivered by Step 2, taking place every Monday and covering a range of important topics across the school.
- A variety of end-of-year enrichment opportunities designed to build confidence, resilience, teamwork and independence.
- Sports Day and our Summer Fayre – please keep an eye out for dates and further information which will be shared with families shortly.

These experiences provide valuable opportunities for pupils to develop new skills, build positive relationships and create lasting memories.

Looking After Our Environment

At Park Aspire, we remain proud of our school environment and believe it should be a safe, respectful and welcoming space for everyone.

We would like to remind pupils and families of the importance of looking after our school building, resources and outdoor areas. We encourage all members of our community to take pride in their surroundings and treat school property with care and respect.

By working together, we can ensure Park Aspire remains a positive environment where all pupils can learn, thrive and succeed.

Looking Ahead

As we approach the end of another successful academic year, I would like to take this opportunity to thank all staff for their continued dedication, professionalism and hard work in supporting our pupils each day.

I would also like to thank our parents and carers for their ongoing support, encouragement and partnership throughout the year. Your support plays a vital role in helping our pupils achieve their best.

Together, we have much to be proud of, and we look forward to finishing the academic year positively and celebrating the many achievements of our pupils.

We wish all pupils a successful and enjoyable Summer 2 term.

Warm regards,

Mr Morris & The Park Aspire AP Academy Team
